currently operating at a deficit.

The Board of Trustees of Society Hill at University Heights III has completed a thorough review of our budget requirements for 2005 and have determined that an increase in the condominum maintenance fee in encessary to ensure that the association can meet it's obligations to homeowners and vendors. The current Board has received certified audits for 2002 and 2003, which includes that the Association is

Additionally, our financial condition hampers our ability to ensure that the common elements are maintained to provide the quality of life that we all enticipated upon purchase and to further enhance our respective property values.

Finally, the Association is currently engaged in litigation with the original developer to cure construction defects prior to the final transition phase, which is a costly affair.

As a result, the monthly condominium maintenance fee for Society Hill at University Heights III will increase from 3175 to 5226. To ensure that homeowners are provided with advance notice of the change the revised amount will be due on March 1, 2005. Because our budget calculations are based on receiving the additional revenue over a 12-month period, but the increase won't begin until March 1st, this year's maintenance fee will be prorated over a 10-month period so that the same amount of income is collected. As a result, for this year only, the actual amount billed will be \$235.00.

The Board of Trustees realizes that this will present a financial hardship for some, however we have a fluction? responsibility to at in the best interest of all homeowners. The current Board of Trustees has inherited a legacy of withdrawals from our building reserves to pay for our day-to-day expenses that can no longer be followtated. The Board of Trustees has an obligation to produce realistic budgets and ensure that generally accepted accounting practices are followed. De seatured, this beart will not similar trustances are considered accounting practices are followed. De seatured, this beart will not similar trustances are considered accounting practices are followed.
